Microdyne™ Receiver Trade in Program

Turn your old Microdyne™ equipment into a cash discount.

Don't repair --- replace!

Owners of older Microdyne™ Receivers have an opportunity to turn their old legacy 700/1100/1200/1400 equipment into a cash discount on a new **ONE** 2111/2112/2112C digital receiver.

Between August 1st 2007 and December 31st 2007 domestic US customers can trade in their old, working or not, Microdyne™ 700/1100/1200/1400 (or other model) receiver for a **\$5,000** discount on the purchase of a new **ONE** 2111/2112/2112C Digital tracking telemetry receiver.

Order an ONE 2111/2112/2112C and receive a cash discount off your invoice of **\$5,000** after delivery and sending ONE your old receiver.

U.S. Government customers need only submit proof of surplus or Beyond Economical Repair (BER) notice.

Contact sales@orbitalnetwork.com for more information.

This program applies to orders placed between August 1 2007 and December 31 2007 and is valid for domestic US sales only. Customer will be credited with the trade in value at time of invoicing. Contact ONE at sales@orbitalnetwork.com for more details.
